(C) The fee of Rs. 50 must reach the Secretary to the Accountancy Diploma Board, 65, Apollo Street, Fort Bombay on or before 31st January. *Fees paid in will on no account be refunded.*

**Regulation No. 5.—**

Under this regulation, an under-graduate may, in lieu of attending lectures for two years as prescribed by Regulation No. 4, receive practical training in accounts for two years. He must apply to the Board for the recognition of such practical training and secure the orders of the Board before applying for the examination; the number and date of such order must be quoted in the candidate's application for the examination.

**Regulations 6 and 13.—**

When the holder of a *temporary* auditor's certificate applies for the examination under regulation 6 or for the Diploma under Regulation 13,

the period for which the auditor's certificate was granted must not have expired. An application from such a candidate submitted after the expiry of the period for which the certificate was granted will not be accepted by the Board.

*Regulation 12.—*

*Practical training.*—Every candidate entering on the course of practical training prescribed by this regulation must submit to the Accountancy Diploma Board an application for the recognition of such practical training in the prescribed form, copies of which can be had at the office of the Board, Apollo Street, Bombay; such applications must be submitted within sixty days of the commencement of the practical training.

The practical training must be under a Chartered or an Incorporated Accountant or a certified auditor working as a Public Accountant. It is immaterial whether the candidate has paid a premium for such training or is in receipt of a salary. It is essential that he should be a full-time apprentice and should not be engaged in any other work during the usual office hours.

Chartered and Incorporated Accountants may take and train apprentices without the previous permission of the Government. The holder of a *permanent* (whether restricted or unrestricted) auditor's certificate granted by a Local Government, may take and train apprentices, provided he is specially empowered in that behalf by the Local Government of the province where he is practising. The mere fact that he holds a permanent auditor's certificate will not empower him to take apprentices.

The apprenticeship may be served partly under one and partly under another practising accountant, provided it is in each case reported to and recognized by the Accountancy Diploma Board.

*Regulation 12 (b).—*

The practical training in accounts prescribed by this regulation may be (1) partly before and partly after, or (2) wholly before or (3) wholly after, the candidate passes the Diploma examination of this Board. The course prescribed for an under-graduate covers five years, viz., two years as a student of a recognized institution, *plus* three years' apprenticeship. The practical training in accounts, if any, received by an under-graduate during his two years' attendance at a recognized institution, will, therefore, not be reckoned as a portion of the three years' apprenticeship prescribed by this regulation.

*Regulation 12 (c).—*

At least two out of the three years' apprenticeship prescribed for graduates must be served after they become graduates.

*Number of apprentices.*—No practising accountant will hereafter be authorised to take and train more than *two apprentices at a time*. This restriction will not apply to candidates who have already commenced their practical training.

*Auditor's certificate.*—No permanent unrestricted auditor's certificate will hereafter be granted by any Local Government or Administration to a person who does not hold the Government Diploma in Accountancy of the Sydenham College of Commerce and Economics, Bombay. Holders of the Diploma have to apply for a permanent unrestricted auditor's certificate to the Local Government of the province where the candidate received his practical training for the Diploma.

By order of the Accountancy Diploma Board.
